## **REVIEW OF COMMON ENGLISH VOCABULARY**

## WORDS TEST FOR POLICE

- Charles A Wells does it again. This guide as well as his others I have is a must for your four-wheeling adventure. It has all you need to know when planning an excursion or just fun finding out what's in your area. The GPS coordinates are especially useful for finding parking areas and leading you down the right trail. My ageing eyes also enjoy the

bright maps and larger print. No other trail book comes close to all the info Mr Wells has compiled for us!! Dan S. Arvada, CO.

- I was greatly disappointed with this item. Nearly every page was torn. Some drawn on & some had tape over the pictures. I bought this as a gift and I am hugely disappointed. The book couldn't even function.
