Dependency Counseling A Practical Ebay recaps today and find your following terrific read!

## **REVIEW OF CHEMICAL DEPENDENCY COUNSELING A PRACTICAL EBAY**

- I believe Sister Souljah wrote this book when she was in her early twenties, and if that's the case, it is pretty impressive. She draws lessons from her own personal experiences, and from those close to her. I really thought it was thought-provoking, and not nearly as polemical as some make her out to be. However, her rationalization of cheating with a man who's spoken for ("there aren't enough

black men out there, so we'll have to share") wears a bit thin, and her criticism that gay black men are doing a disservice to the black community at large...should be the other way around.

- I thought "The Coldest Winter" would be just another tacky sex filled ghetto love story. It proved to be

the absolute opposite. The realism in this story inspired me. I related to it as an African American and as a woman. The Coldest Winter left me thinking that we should never take our lives bodies and our love ones for granted. We should love ourselves and each other unconditionally.
