## REVIEW OF ELVIS WHAT HAPPENED

- This is the first mystery novel I've read, and I really enjoyed it. I already got the next book to read.
- The last (in terms of story chronology

at least) book in the series, and definitely the best. The story flowed beautifully, perfectly plotted, expertly written. It has an amazing timeless quality, and feels as though it left the framework set by the other books in the series to fly freely into the future.
