REVIEW OF JEEP WRANGLER 2011 2012 FACTORY SERVICE REPAIR

- I bought the book without knowing anything about it. As I read it I realized I had made a great buy!!!! If you enjoy history, time travelling and a pinch of romance, then this is the book for you. I'm about to finish book 2 THE DARK and it is even better!
- I bought this book for a friend who has the disability of not speaking French. I read "Terre des Hommes" times and again, starting about fifty years ago. This book has two essential merits: it shows what is the real greatness of a man, and it gives to so many of us the desire to follow in the path of the great Antoine de Saint-Exupery.
