REVIEW OF MAGIA LIBRO

ESOTERICO

- This has and always will be one of my most favorite books ever. It was required reading for all my sales reps when I was in sales management - AND, they were each required to answer a question sheet afterwards as well, lol. It is a small, simple read and thoroughly explains the best possible way to maintain a great and professional relationship between ANY manager and ANY employee. It is a MUST READ for anybody in the work force, especially managers of any type!

- At first due to the USPS I thought it would take longer for the book to be delivered but that was not the case. The book was delivered in plenty of time and I had the book when needed.
