REVIEW OF ADP PAYCHECK STUB TEMPLATE

- The characters are familiar to Hillerman fans and the plot and story are good enough for a decent read. But publishing houses obviously do not proof read books any longer. There are numerous typos that distract the reader.

- Great read. A dyanmic personality of her time. I didn't know what to expect when I got this book, but alas, Lillie didn't let me down. Confession time: I'm not new to Lillie Langtry's life. I've read all the books about her and everyone was worth the read. I only wish I'd been alive back then to meet her. I'm not sure any of today's actresses are as bright, quick witted, and talented as Lillie was. Great book. Thanks.
