REVIEW OF AVOCENT CPS1610 USER GUIDE

- This book brought tears to my eyes because it was so... AWFUL!!! I was expecting a nice fairy tale-and instead- I got a boring, stupid book where the author comes in every page and a half talking about how golf was invented then. This book is only, ONLY for people for really, really, really, quirked senses of humor! If tyhe rating of zero was available I would give the Princess Bride a -3. Not a worthy book!!!

- "In which are related the Exciting Experiences of Princess Ozma of Oz, and Dorothy, in their hazardous journey to the home of the Flatheads, and to the Magic Isle of the Skeezers, and how they were rescued from dire peril by the sorcery of Glinda the Good."Always one of my favorite Oz books, Glinda was Baum's last and posthumously published. I cannot count how many times I have actually re-read it over the years-- that should be enough of a review in and of itself.
