REVIEW OF LIVRO RECEITAS

DIETA PALEO

- These books are the best fantasy novels out there. The only other fantasy series that I have read that come close the quality of writing that Tolkien shows here is the Wheel of Time series written by Robert Jordan. If you like Tolkien I highly recommend that you check out Jordan's series..
- This is a really nice unabridged reading of the Hobbit. It is a classic hero-epic tale, and the audio version is a great way to introduce it to younger readers who

are not ready to tackle it in print. It got two thumbs up from my 7 year old godson, and though violent in parts, it is considerably less intense than Lord of the Rings. Also, as an adult who enjoyed this book as a child, I loved listening to it in the car on the way to work. The performance was first rate, and the material delightful. I also enjoyed going back and seeing the differences in Tolkien's concepts of characters and such between this book and Lord of the Rings.
