## **REVIEW OF GRADE 12 STUDY GUIDE FOR BUSINESS STUDIES AN ECONOMICS**

- Absolute Zero is a good read, however,

I was torn between belief and doubt as to the possibility. Of course, it's fiction, but mostly believable. As the story progresses the events become less likely, especially when a vengeful farmer becomes a superhero. All things considered, I hope none of it is feasible. I was left with the impression that our fragile, volatile world may be more vulnerable than I've imagined . . . but then I reminded myself. It's fiction.

- "Captain Cook!" This book made me want to read word for word. I wanted to

read this book and made me flip pages past my bedtime. Mr. Popper the house painter sends a letter to a radio show. Mr. Popper wins a pet penguin for sending that letter. Mr. Popper up for a treat. What will happen to poor Mr. Popper? The author messages is that penguins belong in Antarctica, even though penguins are very smart and are great dancers. It also tells you you may love and cherish animals. I loved this book so much I read this book three times. Richard Altwater is a very talented author.
