REVIEW OF CLINICAL MICROBIOLOGY MADE RIDICULOUSLY SIMPLE EDITION 5

- nice and sturdy book with fun moving animations illusions make this a fun read. I bought one for my mom who is a "christmas freak" and one for my kids. the only reason I gave it 4 stars instead of 5 is it is a little dark on the moving illusions areas. Still, you'll be happy with this purchase for either adults or kids. I found it in a local toy store for 20.00 but got it here for 11.50!

- This is the only poem I know by heart. My kids listen to me read it quite a few times during the Christmas season. Sure the Kindle version doesn't have the artwork or the nice feeling of sitting around the fireplace reading an actual paper book but hey, it's free. Free is good. Very good.
