REVIEW OF NATA MATHS SAMPLE PAPER

- Simply incredible and hilarious. I travel a lot by subway, and people just stared at me when my laughter filled the car. The trama carry the me so easily that I didn't notice where I was, and the

characters try to jump from the book and say hello (things that happen in a book of Terry). A serious fantasy reader, is so relaxing to laugh with

it.

- The authors have provided the quintessential study guide to The Canterbury Tales. This book is invaluable.
