So there you have it, a few of the most effective locations to discover Boarding School Seasons book reviews. Remember, reading evaluations can help you make educated choices about what to read next and can reveal you to new writers and genres you might not have actually thought about previously.

REVIEW OF BOARDING SCHOOL SEASONS

- I first saw this book when I was in third grade. It looked, well, "interesting ". So I read it. At first, I was SOOOOOO confused. It was BOOOORING!!!! In fact, it was so boring I COMPLETELY skipped the first chapter. But once Rusty joined ThunderClan, it got better. When I was done, I thought "'that's it?". I read it over and over again for three hours straight. To be exact, that was five times in one day. I reccomended it to all my friends, but only one stuck with them. When you first get this book, don't put it down and say "it's too boring! ". Read on. Then try to read Fire and Ice. Although Erin Hunter didn't open the series in the best possible

way, this is a must -read for all cat lovers, but some younger readers might not be happy with some of the battles.

- Warriors is a wonderful book. It is well written, and although it has a wide vocabulary, you can understand the words the Erin Hunter uses. Warriors definitely deserves 5 stars. The series has a fast paced story line, and relates the adventures of cats with human struggles. Although in some books, the depression that the cats go through is almost un-bearable, most of the times the books are light and cheerfull. I would recomend these books to any young reader who enjoys books like Inkheart, Harry Potter, and Time Stops for No Mouse.
