## **REVIEW OF MANKIW MACROECONOMICS 8TH EDITION SOLUTIONS FILE TYPE PDF**

- 1) Nobody denies that Nehru was one of the most incompetent leaders India had the misfortune to be governed by. However to blame him for the war, as the author does, is unfair. 2) Nehru is recognized for his inability to defend India's territory against Chinese aggression. He is known to have made several wrong decisions that led to India's complete defeat in the war. He is not KNOWN to have caused the war. To compare him with a psychopath like Chairman Mao is doing him a great disservice. Mao is to be compared with the likes of Hitler, Stalin or Papa Doc. Not by any stretch of imagination; Nehru. Incompetent, skirt chaser, stupid, vain, bed-hopper - Yes. Pure Evil like Mao - NO. To attribute that India took on China and refused to negotiate with Chinese is not believable. To expect that diplomacy can work with someone like Mao is simply hilarious. 3) To implicate that Tibet was an integral part of China (historically) is also wrong as many authors have already pointed out. And that Tibetans "welcomed" the invasion is an unacceptable gaffe of epic proportions. To say, that India forcibly occupied Tawang under

heavy Tibetan "protest" is another piece of fiction. Even as I write this review, two youngsters in that unfortunate land self-immolated themselves.4) If China is so Miss Goody two-shoes, then how come it has territorial disputes with countries like Japan with which it shares no physical border? I wouldn't be surprised if this so-called writer was Kim Phelby's clone ( for Chinese). Believing this book, is dishonoring the Dead Tibetans who are giving up their lives everyday under Chinese Tyranny. The cause of the war is simple enough. To teach India a lesson for sheltering Dalai Lama. BTW, the book is VERY BORING....

- Bloody Hell!!! Giles is a vampire. the one mistake that buffy made has caused her beloved watcher to not only become a

vampire but their king. who better to lead the vampires than the one that trained the slayer himself. as buffy reels from this shock, she must not only try to figure out how to beat the person that knows her the best, but try and fit in with a much altered world that really does not know how she will fit in. her best friends from 5 years ago are all tougher and harder than they were and they are not too sure what to make of this new buffy. also willow and buffy try to find a way to send the spirit of her 19 year old self back in time to try and avert this horrible future. this book is a good lead up to the fourth one but not quite as suspenseful as the first 2. even though i cannot wait to see how this one ends, the third installation seems to have run out of steam somewhat.
