## **REVIEW OF BY ANDREW J DUBRIN HUMAN RELATIONS INTERPERSONAL JOB ORIENTED SKILLS 11TH EDITION 11TH EDITION**

- The book covers several generations, so with each generation you have to re-learn all the characters. It is difficult to keep track of who's who when every time you get to know the cast, 200 years suddenly pass and we're in the middle of a new crisis. I didn't read the whole series because of this -- it was obnoxious.
- it's a good eye opener. at least it's good enough to make me think twice before following instructions... from anyone at all.
