Bear in mind, checking out testimonials can aid you make educated choices concerning what to check out following and can subject you to brand-new writers and styles you could not have actually thought about before.

## REVIEW OF 70 486 PASS4SURE

- This is one of the best books I have ever read. I highly recommend it to anyone who likes fiction/fantasy. It starts out when a hobbit, Bilbo Baggins, is drawn into an adventure, including dragons, elves, and dwarves all set in a medieval world. IF you like this book, try its sequel, The Lord of The Rings.
- There are a ton of posts that will laud the book so I'll skip that. If you've read "The Hobbit" before you know what you're getting - if you haven't this is the place to start. Having said that I want to comment on the formatting of the kindle edition. Generally speaking the edition is spot on but some pagination issues arise when you come across artwork. You may find yourself a bit disoriented when a large blank space appears, the next page is an illustration, and then the story picks up again. It's not a major issue but it's something eBook editions need to be more mindful of.
