REVIEW OF RANCANGAN PENGAJARAN TAHUNAN KSSR TAHUN 5 DAN

- This is one of the greatest Christian books ever written, and it is more than very exciting indeed to see that, years after it first came out, Christians are still reading from it and profiting from it. This is one of those life-changing books

that every Christian ought to read - and one that they can easily give to their non-Christian friends, especially in the mushy post-modern age that we live in now. Buy it now! Christopher Catherwood, someone who corresponded with CS Lewis in the great man's lifetime and now the author of CHRISTIANS MUSLIMS AND ISLAMIC RAGE (Zondervan, 2003)

- Whether christian or not a must read book from one of the foremost christian writers of the modern era. Lewis presents christianity in cogent terms that accurately reflect the historical christian faith. Never intending to write a mere logical discourse, Lewis does utilize rational structures to frame the discussion.

Christians will find their faith and commitment challenged. Lewis gives non-christians a chance to understand just what it is they are rejecting. I find myself rereading this book and finding something new each time.
