REVIEW OF THIS IS WHO I AM OUR BEAUTY IN ALL SHAPES AND SIZES

- Another great book by Robert Jordan. I am a huge fan of the Wheel of Time series, though it does sort of bog down later on. But during the Great Hunt everything is still relatively simple and easy to take in. I believe this takes place after Rand's first encounter with one of the Chosen (in the first book). Very good character development and a lot of intrigue. Highly Recommended. Lennox
- I do have to give it to Daaimah when I say that this book was a real page turner but I was very disappointed in the end. It ended too abruptly. The book would have been better for me if Daaimah would have let us see it from Malik's point of view also. This book could have been developed a little better and it DOES need a sequel but overall it was good.
