REVIEW OF RESOURCE MANAGEMENT FOR INDIVIDUALS AND FAMILIES 5TH EDITION

- I am only halfway through, but cant help commenting already on this brilliant book. This is my eighth Sybex book and by far the best written of them all. Also no silly little jokes to make me grind my teeth!! Congratulations mr Easlick; cant you cover other subjects as well? Otherwise I agree with previous positive comments.
- Just finished taking the Exchange 5.5 exam and scored 616. The questions on the exam seem to come directly out of this book. The enclosed CD contained every question from the end of chapter

reviews. It could'nt have been any easier. I was a little worried going into this test. I was told it was the hardest of all the test. This book made it the esaiest by far.
