Document Template book downloads. With numerous titles and genres to choose from, the opportunities are endless. Pleased reading!

REVIEW OF COMPUTER REPAIR DOCUMENT TEMPLATE

- All through high school I stayed as far from the British female authors (of classical literature) as I could...and now I have to wonder why. I figured them to be drab, sappy, overly sentimental and trite. How wrong I was! Upon urging of friends, I picked up "Pride and Prejudice" and enjoyed

it immensely (though I disagree with another poster that it was faster paced than Emma). I immediately purchased "Emma" and was delighted. The character, as is mentioned, is flawed...but charming BECAUSE of these flaws. Emma is a wonderful character and the book is a joy to read. I will continue my journey through the books of Jane Austen-- and I can't wait to continue!

- If you liked Pride and Prejudice, this will probably amuse you, but it's not quite as memorable. The characters are hilarious and the plot twist rather unpredictable. I enjoyed it a great deal.
