## REVIEW OF BOSE ACOUSTIMASS 9 SERVICE MANUAL

- An excellent book in many ways. I'm a big Lord Soth fan, and I must admit, this book suits him well. It shows the downfall of a man, respect and adored by many others, a man that gives himself into greed and lust, and how jealousy and mistrust can corrupt even those who seek to be so pure and noble. Although the end of the book is a little rushed (the effects of the Cataclysm could have been more explored... but that wasn't the theme anyway).

- All about a spoiled kid who comes for a visit. Author writes a wonderfully lyrical story that provides fun for both the reader and listener. I especially liked the lesson to be learned of manners that manages to be imparted in such a fun way for kids.
