REVIEW OF MILLER AND HARLEY ZOOLOGY 6TH EDITION ENERGOORE

- I also had to respond to the 1 star review. I have never read a Gilchrist book before, but am a huge fan of Stephen Pressfield's books and was inspired to read Green's and Kagin's accounts of the Greco-Persian and Peloponesian wars. I stumbled on this book by accident and found it to be tremendously entertaining. Yes, the characters might be developed more but I did not find this a serious distraction. I would compare it to Ursula LeGuin's Earthsea - some things are not fleshed out, but there are so many parts that are stunningly good that the book overall is quite worthwhile.

- Ku-Ma is his name. He is an albino Panther and he is hungry. Ku-Ma is always hungry. Fortunately, he is also about twice the size of the other panthers, and they defer to his growl when he needs feeding. Ku-ma knowing how strong he is, sometimes gets into trouble - not realizing that the other animals in the jungle may not be as big, but they have other weapons. As such, this book has several humorous accounts of Ku-ma trying to feed himself with varying degrees of success. After his skills are honed however, it is Ku-Ma, and not the lion, that is the true king of the jungle. Of course, being on top always has a price. In this case, the hunters have heard of this mythical white panther and they are looking for him. Mighty Ku-Ma kills one man, and then the real hunt begins. Read this book if you can find it. The prose is written for the young reader, but the ideas and the imagery of the text are the kinds that can make a person weep. Thank You Mr. WaldeckRelic113
