REVIEW OF CAMSHAFT TIMING FOR TOYOTA 4E FE ENGINE XBSHOP

- I thoroughly enjoyed "The Bean Trees." Kingsolver has a way of writing that draws you

in. You care about the characters. An easy read and very enjoyable, but truly a "chick" book. My husband would have hated it.

- This is one of the best books I've read in years. The characters are believable and endearing, there is plenty of action, and the ending satisfies. I highly recommend it.
