When Ethan looks under the bed for his monster, he finds this note instead: "So long, kid. Gotta go. Someone needs me more than you do. -Gabe" How will Ethan ever get to sleep without his monster's familiar, comforting snorts? And who could need Gabe more than Ethan does? Gabe must have gone to Ethan's little sister's room! She has been climbing out of bed every night to play, and obviously needs a monster to help her get to sleep - but not HIS monster! Ethan tries to help his sister find her own monster, but none are the perfect blend of cute and creepy. Just when it seems that Ethan will lose his monster forever, an uninvited, tutu-toting little monster full of frightening fun appears. Following in the spooky-silly tradition of I Need My Monster, here's another irresistible monster-under-the-bed story with the perfect balance of giggles and shivers.

Bhagawan has announced Himself as the Divine Teacher of Truth, Beauty, and Goodness. By precept and example, through His writings and discourses, letters and conversations, He has been instilling the supreme wisdom and instructing all mankind to translate it into righteous living, inner peace, and universal love. When the Ramakatha Rasavahini, the uniquely authentic, nectarine stream of the Rama's story, was serialised in full in the Sanathana Sarathi, Bhagawan blessed readers with a new series, which He named Bharatiya Paramartha Vahini (The Stream of Indian Spiritual Values). While these precious essays, on the basic truths that foster and feed Indian culture since ages before history began, were being published, Bhagawan decided to continue the flow of illumination and instruction under a more comprehensive and meaningful name, Sathya Sai Vahini - the Ganga from the Lotus Feet of the Lord - "The Flow of Divine Sai Grace". This book, therefore, contains the two Vahinis that have merged in one master stream. Inaugurating these series, Bhagawan wrote for publication in the Sanathana Sarathi, "Moved by the urge to cool the heat of conflict

and to quench the agonising thirst for 'knowledge about yourself' that you are afflicted with, see, here it comes, the Sathya Sai Vahini, wave behind wave, with the Sanathana Sarathi as the medium between you and Me." With infinite compassion, this Sathya Sai incarnation of the Omniwill is giving millions of persons in all lands freedom from disease, distress, and despair, narcotics, narcissism, and nihilism. He is encouraging those, who suffer gloom through wilful blindness, to light the Lamp of Love in order to see the world and the Lamp of Wisdom to see themselves. "This is a tantalising, true-false world. Its apparent diversity is an illusion. It is One, but is cognised by the maimed, multiple vision of humans as Many," says Bhagawan. This book is the twin Lamp He has devised for us.

Find the bay of hope . . . Right next to the ocean of grief stands the bay of hope. It's made of billions of sand particles, each one insignificant on its own, but together a force to reckon with. The ocean continues to try to swallow the bay and the golden sand smiles, washed by the glistening tears. As an oncologist, it's difficult to come home and have a normal meal or sleep without being awakened by a wet pillow, unsure if the tears were mine or those of a patient's. I have understood that in this extraordinary universe, I am but a mere speck, as small and inconsequential as the sand particle on the beach. But with the bond that I have built with my patients, I am resolute, as indomitable as any avenger of cancer. These survivors have taught me more than what medicine has. These are not 108 stories. This is the future of our battle against cancer. These are the footsteps these survivors have taken, from tears to smiles. I Am a Survivor exemplifies the cancer survivors of the human race, their journey and their demonstration of flawless endurance. It uncovers stories of several extraordinary cancer survivors who live their lives with the same intensity as others. This book is an attempt to honour what they stand for, and it offers their tale as an example for those walking the same path.

The last decade has seen dramatic advances in artificial intelligence and robotics technology, raising tough questions that need to be addressed. The Robot Will See You Now considers how Christians can respond to these issues - and flourish - in the years ahead. Contributions from a number of international experts, including editors John Wyatt and Stephen Williams, explore a range of social and ethical issues raised by recent advances in AI and robotics. Considering the role of artificial intelligence in areas such as medicine, employment and security, the book looks at how AI is perceived as well as its actual impact on human interactions and relationships. Alongside are theological responses from an orthodox Christian perspective. Looking at how artificial intelligence and robotics may be considered in the light of Christian doctrine, The Robot Will See You Now offers a measured, thoughtful view on how Christians can understand and prepare for the challenges posed by the development of AI. This is a book for anyone who is interested in learning more about how AI and robots have advanced in recent years, and anyone who has wondered how Christian teaching relates to artificial intelligence. Whatever your level of technical knowledge, The Robot Will See You Now will give you a thorough understanding of AI and equip you to respond to the challenges it poses with confidence and faith.

THE DEFINITIVE EDITION • Discovered in the attic in which she spent the last years of her life, Anne Frank's remarkable diary has since become a world classic—a powerful reminder of the horrors of war and an eloquent testament to the human spirit. “The single most compelling personal account of the Holocaust ... remains astonishing and excruciating.”—The New York Times Book Review In 1942, with Nazis occupying Holland, a thirteen-year-old Jewish girl and her family fled their home in Amsterdam and went into hiding. For the next two years, until their whereabouts were betrayed to the Gestapo, they and another family lived cloistered in the “Secret Annex” of an old office building. Cut off from the outside world, they faced hunger, boredom, the constant cruelties of living in confined quarters, and the ever-present threat of discovery and death. In her diary Anne Frank recorded vivid impressions of her experiences during this period. By turns thoughtful, moving, and amusing, her account offers a fascinating commentary on human courage and frailty and a compelling self-portrait of a sensitive and spirited young woman whose promise was tragically cut short.
