REVIEW OF EFFECTIVE TOURISM MARKETING STRATEGIES ICT BASED

- I loved 'Rebecca' but often do I feel bad for Daphne DuMaurier, for it seems that 'Rebecca' is credited as her only worth while effort at writing, but latley here I have found as I read more of her novels and short stories, that Ms. DuMaurier has emerged as my own very favorite writer. Her tales, although vastly different from one another, I find are not usually what I relate to at all, but her characters and their behaviors and attitudes. And, after reading a substantial amount of DuMauriers

work, I think I would say 'My Cousin Rachel' takes the cake for her best. 'Rebecca' may be well known for its ever famous opening line, 'Last night I dreamt I went to Manderley again...' but 'My Cousin Rachel' seems to adapt not only a similar opening feel, but a better one. From the first page DuMaurier is referencing death and the way it is written is beautiful. Her main character is highly likeable and there are many twists and turns throughout the book. I found that I could not put it down. I also found DuMaurier is quite excellent as usual in writing about the human relationship between men and women. Rachel is a complex character who always remains mysterious but I too

could not help falling in love with her. There are so many beautiful one liners and moments that remind me so much of 'Rebecca' only as I mentioned, 'My Cousin Rachel' is better. I also found it very powerful, especially the ending. All in all, a brilliant and haunting work. Hands down the best work from my favorite author.

- I found this novel to be a sweet, enduring, detailed description between a father and his daughter; as well as an insightful discovery of the soul. I recommend this book to anyone; especially those seeking a deeper meaning and further explanation between a father and a daughter's love!
