REVIEW OF 152QMI SERVICE MANUAL

- After a strange (but still adequate) FOUNDATION'S EDGE, I read Foundation and Earth and was disappointed. By itself, the book was interesting (with the whole thing about the hermaphrodite), but as a Foundation book, it didn't fit. Maybe after thirtysomething years of not writing a Foundation

book, Isaac Asimov couldn't really settle back into the original concept. Asimov's final Foundation book, FURTHER THE FOUNDATION, was a lot more like it, so I enjoyed that book much better.

- Damn, I purchased the series but can't seem to get into them. Boring character and I was so prepared to love her.
