## **REVIEW OF SOLUZIONI LIBRI BLACK CAT**

- I have always loved this story and enjoy the old english language which some reviewers did not like. However, almost everyone is familiar with the story and should be able to follow it.
- A little book, barely 100 pages, packed with so much emotion

and imagery i don't even know how to describe it. It is intense, in a way i haven't read in a while. Technically it is a story of a very poor French teenager, in Vietnam in the 1920's, who takes as her lover a wealthy Chinese man. Character-wise, he doesn't seem much more than a boy himself, though he is in his late 20's. But we get so much more information about the girl's life than we do about her affair. We hear about her mother, essentially a crazy woman, about both her brothers and their lives and deaths. The girl, who never gives her name, is weirdly detached from everyone but seems to be able to understand people deeply. The descriptions are lush and exotic. It seems to be a novel full of yearning and need.
