REVIEW OF STUDY GUIDE FOR TABE TEST

- This is an incredible cookbook. Quite frankly, after using this I have little patience for other cookbooks. If you follow the very clear instructions, you will make dishes as good or better than you can get in restaurants in Istanbul. I won my Turkish husband's (and his parents') hearts by cooking dishes from this book. We've been together 20 years now and I still cook very regularly from this book.
- I've read this book about fifty times. I love it, and think that anyone with any taste, no matter their age would love it.
