REVIEW OF BTEC NATIONAL MATHEMATICS FOR TECHNICIANS 3RD EDITION

- This is one of several KW texts that apply practice to the theory. This is not as dated as it seems, and I keep referring back to it.

- the soup they made might have been good, but the book sucked. who does she think she is trying to make all those recipes from julia child's cookbook. this book was totally and completely meaningless. julie powell shouldn't have even bothered writing such a terrible book. it almost made me throw up after the first couple of pages. actually, i think i did
