REVIEW OF CCIE ROUTING AND SWITCHING V5 0 OFFICIAL CERT VOLUME 1

- Mackay's anti-Catholic bigotry is well documented, and in this tome he leaves no opportunity to bash the "Romish Church" unexploited. I found the instances of anti-Catholicism in the book to be a major distraction from the rest of the content contained therein. In my mind such close-mindedness has a deleterious effect on the author's credibility.

- This book is about a system of Celtic Crystal magick from a Welsh Witchcraft viewpoint. There is a great deal of Welsh material in this book as well as other crystal philosophies. The authors use a great technique of presenting generic terms and ideas which masks the real philosophy of the Welsh Tradition, but teaches you enough so that when you actually enter into training as a seeker of the Welsh tradition, it will be very easy to pick up the wonderful ideas on Crystals and magick and philosophy that they teach. GREAT CRYSTAL BOOK
