#### **REVIEW OF FUNDAMENTAL ACCOUNTING PRINCIPLES 18TH EDITION ANSWER KEY**

- This is a straight forward no non-sense book. I have read so many books by people who seem like their more interested in motivating you too their \$5,000 real estate seminar than to give you the information you need to make it in real estate. I have read two of Mr. Lucier's books one on pre-foreclosures, and the other on real estate options which I have highly recommended to people that I've been discussing real estate with. If you are sick and tired of wasting your hard earned money on books that just pump you up, but give you no substance then buy this book and find out if you really have what it takes to invest in pre-foreclosures. Also I e-mailed Mr. Lucier some questions I had, and he e-mailed me back - with well thought out responses - 9 hours later! Now that's what I call customer service and someone who stands behind his work. Thanks again!

- Tom Lucier's Pre-Forclosure kit is packed with more useful information than I would have emagined possibe for it's size and cost. It was exactly the "roadmap" type of publication that I was looking for that spells out the Pre-foreclosure process in concise detail. It is also refreshingly devoid of the typical pump-you-up hype so preveliant in most of the real estate investment how-to books that I have read. It's simply everything you need to know - and no bull spit. Mark Leedy Vancouver, WA
