REVIEW OF EROGE PAGE 2 OF 178 ENGLISH VISUAL NOVEL

- If you enjoyed this book and would like to see the movie, I recommend the 1939 version. It is very well done. Much better

than the recent versions. Of Mice and Men is a classic in my eyes.

- George and Lenny are two men traveling while striving to support themselves and make a home together. The message that I gathered was that high hopes and dreams for a better future could make a miserable today more tolerable. The main characters are George and Lenny. They are best friends and watch over each other as they travel together. Lenny is unable to take care of himself because of his mental disabilities. George sees him for who he is and is his true friend regardless of the negative things Lenny does. Lenny is an extremely large man and does not understand his strength and the harm he is capable of causing. This leads him to the conflicts that occurred between Curley and his wife. This is the one thing that Lenny did that could not go unpunished for. It is George that did the right thing for his friend Lenny in the end. I can really relate to this story from a personal experience of my own. My good friend from my childhood always had so much going for him. I don't think he even realized all that he was worth and capable of. Based on his actions it was plainly obvious that he did not see this. He started using drugs, then selling drugs, and then the last straw was when he put himself in the hospital by overdosing. His parents were blinded by what a good kid he was; they didn't understand what was happening. I knew he would be upset with me for telling on him, but it was the most loving thing I could do to save him from

his destructive path. He is now clean and sober and has numerously thanked me for caring enough to bring the problem to the surface. So, like George, I looked past what I didn't want to do and did what was best for my friend. I really enjoyed reading this book because Steinbeck was so descriptive with his choice of words in this novel. I could actually picture each event in the story like I was watching a movie, but better. I love books like this because they are the ones that I can't put down, which makes reading so enjoyable. My favorite parts of the book are every time George and Lenny talk about their dream of having their own farm with the rabbits. It seemed like such a beautiful dream. It made me wish that I had a farm of my own. I didn't like how the novel ended with George and Lenny because they were so close and I hoped that they would remain friends forever. I wouldn't change anything about this book because it was written by a great author and is a classic, even today. It ended just the way it was meant to because any other way would not have given the same message about friendship. I think that everyone should read this book at least once in their life because it is an excellent work of literature. It is full of excitement and adventure that would keep anyone's mind occupied and entertained. This novel is not really directed to a certain type of person. Each character is different and unique. I would definitely recommend this book to everyone.
