REVIEW OF ONE NIGHT WITH THE VIKING MILLS BOON HISTORICAL VIKING WARRIORS BOOK

- Quite simply the highest quality product of any kind that I own. I often stop in the middle of reading and just smell it. The translation is very readable and accurate, the font is newspaper sized and high quality, with a timeless look. The paper is thin enough that you aren't hauling around a dictionary, yet thick enough that you can't see the words through the page. It isn't painfully bleach-white so I imagine it will age really well. The binding and cover are simply

top notch, although the pages wrinkle a bit where they connect - I don't know much about binding, does this mean it just needs to break in a bit? Also, I have a study bible with an abbreviated commentary on each page, but I really like reading this one much more, because you get great study tools (like alternate interpretations of words when appropriate, thorough

cross references indicating different types of links, etc) but the text sinks in on its own, without someone giving you a slant on it every step of the way. I love this bible and really enjoy reading it.

- GOOD BOOK-- GOOD COVER, PRINT WAS TOO SMALL FOR ME MORE OF A CHURCH PEW BIBLE.. NOT WHAT I WAS LOOKING FOR.. WOULD RECOMMEND BUT NOT FOR ME
