REVIEW OF CLASS 11 ENGLISH GOLDEN GUIDE

- Paolini is a very talented author but the idea of his book is over-used. Oh my god, a kid finds a dragon and then must fight the forces of evil. That is so original. Paolini should stop wasting his time and write something worth reading. If you are looking for serious fantasy read Abarat. If you are into Sci-fi read Stars my Destination.

- This book is set in an imaginary world called Alagaësia. In this world there are dragons, Dragon Riders, monsters, and magic. In a small village there lived a poor farm boy. While hunting in the forest he finds a magnificent blue stone. The stone is really a dragon egg. When it hatches a man named Brom finds out and takes Eragon on an adventure to a new town; the town was deserted except for two evil monsters. Eragon discovers he can use magic, but it exhausts him

quickly. During this time the dragon grew larger and its name is Saphira. They go to a new town to flee from two beasts called the Raz'zac. In the town there is a witch who tells Eragon his future. After leaving the town they arrive at Dras- Leona they stay there to get information on the Raz'zac. During their stay Eragon receives a sword from Brom. Eragon runs into the Raz'zac. Brom and Eragon now have to escape the Raz'zac. While resting they get ambushed and tied up by the Raz'zac. They were planning to kill Eragon, but when a stranger named Murtagh rescues them the Raz'zac flee. In a final attempt to kill Eragon they through a blade at him, Brom jumped in front of the blade. Brom died and Eragon got a new partner. They stop at a town near where Eragon gets captured and is taken to a dungeon where he meets the Shade named Durza who has also captured an elf. Eragon and the elf escape with Murtagh and Saphira. They decide to go to the Varden the rebellion against the Empire. When there the Varden leader Ajihad locks Murtagh in the dungeon because he is the son of a dragon slayer named Morzan also during the stay at the Varden strong hold in Farthen Dr the elf whose name is Arya recovers. She teaches Eragon magic and swordsmanship. The Varden notice that there are monsters coming close. So they get ready for battle. During the battle Eragon get separated from Saphira and finds Durza. They begin to fight. Eragon is hurt and is going to lose when Saphira blows fire to distract Durza that let Eragon pierce his sword threw Durza and win the battle. The next day Eragon wakes up and all of his companions are there. Then Eragon vows to destroy the Empire. I would recommend this book to anyone that likes dragons or adventures

in olden times.
