REVIEW OF SO THIS IS PERMANENCE JOY DIVISION LYRICS AND NOTEBOOKS

- I read this book when I was 14 and I loved it, I still do! this is well worth reading. It is an exciting tale of adventure and revenge and one man's story! I loved it! read it!
- At long last the true reason for the State Department's preference for foreign nations over US citizens is unmasked. This is a powerful story about how those who hate our national

sovereignty sought to worm their proteges into the SD over decades. One man, Otto Otepka stood in their way. This story tells how the Kennedy/Johnson Whiz Kids sought to destroy Otto and unveils his true heroism-a Horatio at the Gates! Fascinating looks at how General MacArthur was deprived of safeguarding his troops by Dean Rusk and how our military, the Cuban exiles and the CIA were sold out by the Whiz Kids are fully documented putting Bamfield's latest work to shame. What a history lesson!
