[Just Listen Summary - Shmoop](#) Just Listen By Sarah Dessen Just Listen, Sarah Dessen Just Listen (2006) is a young adult novel written by author Sarah Dessen. It is her seventh published novel. Annabel Greene is a girl who has it all—at least, that's how it seems on TV commercials. Annabel's life is far from perfect. Her friendship with her best friends Clarke and Sophie ended bitterly. Just Listen by Sarah Dessen - Goodreads In Sarah's Words. People are always interested to learn where a story comes from, and I'm often asked where I get the ideas for my books. The truth is, sometimes I don't even know: rather than just one big moment, it's often a lot of little random thoughts, scribbled notes on scraps of paper and backs of receipts, that make up a novel. Just Listen - Sarah Dessen Sarah Dessen is the author of thirteen novels, which include the New York Times bestsellers The Moon and More, What Happened to Goodbye, Along for the Ride, Lock and Key, Just Listen, The Truth About Forever, and This Lullaby. Her first two books, That Summer and Someone Like You, were made into the movie How to

REVIEW OF JUST LISTEN BY SARAH DESSEN READ ONLINE

- If you want to show your kid or student that an biography is fun to read, well, in "Going Solo" Roald Dahl describes every fun and depression of his experience as a teenager to adulthood. It is just as fun reading "Matilda" and "The Witches". The language is easy to read, lots of photographs took by Roald Dahl himself, and the ending is satisfying. The story is about Roald Dahl's first career in Africa (Sudan) working for the Shell Oil company. When the second world war broke up he joined the royal airforce throughout middle east and the coast of Greece. Throughout the book you follow a period of his life, experiencing both the positives and negatives of his adventure. You also get to find out how he begins to build ideas, and these ideas become great children books that are unforgettable to this day. This is not just a great read for the Roald Dahl fans, but everyone who loves for adventures and wild creativities. Go get it and start reading!

- I'm trying to imagine the kind of person who would not enjoy this book, and quite frankly I'm failing. If you can read this review, you will enjoy the book. It tells the story of Roald Dahl from his journey out to Dar-es-Salaam at the age of 18, to start working for Shell, to his being invalided home as a fighter pilot from the Middle East in 1941.

Throughout he makes it sound as if it's all a bit of fun, but in reality the odds against his surviving the events in the book must have been 50 to 1. It's all told in a lovely deadpan voice that clearly shows up the utter absurdity what he was going through, from his servant killing a local German with a 17th century antique sword to being one of 15

fighter pilots in all of Greece to take on 1000 Luftwaffe planes. It's to his everlasting credit that he manages to do this in such a straightforward way. Of course, events speak for themselves, but it requires a skillful author to let them do so, and Dahl is more than skillful. This is a work of genius.
