book testimonials. Bear in mind, reading evaluations can assist you make educated decisions concerning what to read next and can subject you to brand-new writers and genres you could not have thought about before.

REVIEW OF ANGELS AMP WHISKEY KIMBERLY KNIGHT

- The cold war sucked, you then got this. Thanks for nothing all those electing senile bad actors to be in charge of scary nuclear arsenals. Horrifying and poignant tale of the effects of a nuclear exchange, done this way so children would understand to. A pointed anti-war message aimed at the idiot politicians of the time.

- Since becoming parents 7 1/2 years ago, we have read MANY MANY MANY children's books and I can easily say that Sandra Boynton is our family's favorite author. The illustrations are adorable and the stories are funny, sweet, silly, and quick (which is a huge bonus if it's already past bedtime). Our hands-down favorite is "Barnyard Dance"...it's especially funny if you can read it as if you're actually the caller at a hoedown. Another favorite is "But Not the Hippopotamus" and "Horns to Toes and In Between" which is great for teaching body parts. If you're looking for silly, cute, and funny, Sandra's books do not disappoint.
