As always, Hitchcock is a captivating and insightful writer of architecture. Very good reading for an American centric perspective on how European modernism was re-packaged and made presentable to American sensibilities (the pragmatist vs. the political).

REVIEW OF THE INTERNATIONAL STYLE HITCHCOCK AND JOHNSON

- Don't waste your money on this dreck. Poorly-written, ill-conceived, ridiculous premise. Laughable at best and I've read a lot of books.

- The story and the artwork are simply charming but the enthusiasm and the optimism of the little Paisley endeared me to this book. It's a situation that most little ones worry about, stuffed animals having no one to love, and it pulled at my heartstrings. I loved this book!
