REVIEW OF CLAYTON ELECTROTHERAPY BOOK PDF

- Loved it - it's an old favorite that I will listen to again and again.
- This was a really great book. I loved the descriptions of the different herbs and flowers. It was the kind of book that made you want to find out what's going to happen next...I could hardly put it down!But, towards the end of the book it got sad and depressing. The ending was sad too. But other than that, this book was great!!
