## **REVIEW OF MERCEDES BENZ W204 SERVICE MANUAL**

- James Herriot's Favorite Dog Stories is a short but delightful book written by the world famous veterinarian. It is beautifully illustrated by Lesley Holmes. This book consists of ten stories from Herriot's previous books that feature dogs that he has treated over the years. It's difficult to pick a favorite as they all have amazing personalities. There is Brandy, who is such a scrounger that he gets his tongue stuck in tin cans that he digs out of the trash can. TrickyWoo, a Pekingese, picks winning horses at the races. And Gyp, an epileptic sheepdog, only barked once in his entire life. Although all the dogs have special characteristics, it is obvious that it would take a veterinarian with compassion and

humor to see that these animals are more than just pets. I truly enjoyed Favorite Dogs Stories. However, if you've already read Herriot's other books (which I haven't), you will find that they're repeats.

- This book is in great condition- Like New! My daughter LOVES LOVES LOVES this book. No dents, no tears, well taken care of. Thanks!
