The Bible teaches us that we are to be filled with God's Spirit and that God's presence and grace is manifested among his people as they serve, love, and minister to one another. Yet some of the gifts that God offers to his people aren't commonly seen in many churches today. Gifts of prophecy, healing, tongues, and other supernatural gifts of God seem to be absent, and many Christians are unsure how to cultivate an atmosphere where God's Spirit can work while remaining committed to the foundational truth of God's Word. How can Christians pursue and implement the miraculous gifts of the Spirit without falling into fanatical excess and splitting the church in the process? In Practicing the Power, pastor and author Sam Storms offers practical steps to understanding and exercising spiritual gifts in a way that remains grounded in the word and centered in the gospel. With examples drawn from his forty years of ministry as a pastor and teachers, Storms offers a guidebook that can help pastors, elders, and church members understand what changes are needed to see God move in supernatural power and to guard against excess and abuse of the spiritual gifts. If you long to see God's Spirit move in your church and life, and aren't sure why that isn't happening or where to begin, this book is for you.

How Real Friendship with the Holy Spirit Can Change Your Life Kenneth Hagin Ministries

Home cell groups are becoming a necessity in the believer's life, not only for the mega-churches but also for the small corner churches, as well. This book is a how-to resource that details everything you need to know in order to make home cell groups work in your church. The plans developed here are designed to bring intimate fellowship and involvement in the Christian's life, to effectively show Christians how to evangelize their neighborhood and community, and to share their spiritual gifts with one another. Home cell groups, therefore, give church members the opportunity to participate in the ministry of their church. Dr. Cho promises that, "By following the guidelines I have presented here, you can bring the miracles of home cell groups and church growth to your own congregation." So how does a church of more than 800,000 believers grow and work? Small groups, one household at a time. Cho is careful to share both his mistakes as well as his successes. One of the prime ingredients for a successful home group program is evangelism. He insists that the cell groups focus on the neighborhoods and communities to reach the lost. Leadership, training, discipline, recognition, focus, and personal involvement by the senior pastor are other critical elements. There is a careful balance which needs to be struck between control and freedom for each group to strengthen and grow. Great wisdom is shown in relying on the Holy Spirit to strike the right balance. As a senior partner in ministry, The Holy Spirit has grown the body of Christ in a miraculous way. Recorded in this book are lessons for us all, laymen and clergy, large church and small.

REVIEW OF THE HOLY SPIRIT MY SENIOR PARTNER

• Although its a bit dated the book provides excellent advice on writing. This text should be required reading for anyone that must write for their job.

• The most obvious thing about "The Mill on the Floss" is the quality of writing. You can't argue with that. It's vivid, with wonderful descriptions, and many lovely parts. George Eliot writes of an incredible place, describing everything and making everything easy to visualize. She writes of characters that are so human and real, and then she describes situations with these real characters and everything works so well. Her writing is undeniably good, so now we need to move onto the plot itself. Here we have the Tullivers. Maggie is our heroine, starting out as a very young girl. She adores and idolizes her brother, loves her father, and rather disdains everything society wants her to be. She's independent, different, and bold. She'll do anything for Tom, her brother, and at the same time she wants to be herself. As she grows up, she finds that these two parts of her will fight against each other: her independence, or her beloved older brother. Tom is also an interesting character. Our first view of him is from Maggie's adoring eyes, so we find him to be strong, intelligent, and all-knowing. It becomes clear, though, that Tom also enjoys having a certain level of command over his sister, and he very often gives her ultimatums for their friendship. In situations like these, Maggie, trying so hard to please him, gets very hurt, and then Tom would act superior and ignore her. Tom lives strictly in the "black or the white" - for him there is no gray. Much of the book is simply about their relationship as they are growing up, but many parts revolve around other, slightly more minor characters. For example, Philip Wakem. Philip, a schoolmate of Tom's and a friend of Maggie's enters and leaves and reenters the story many times. At first he seems like a minor but solid character, but he then becomes very fixed in the plot as Maggie's secret, forbidden friend. He demonstrates a case of Tom's orders to Maggie. Stephen Guest is another example. He fell in love with Maggie and tried to elope with her. Maggie refused, though by the time she was able to return home, Tom had deduced the worst, once again demonstrating his "black or white" policy. Tom rejects Maggie, and Maggie has to leave. The main character is without a doubt Maggie, Maggie who feels such love for the people around her, wants to please them and receive love in return, and wants to be independent. Maggie struggles against so many things throughout this book (I won't reveal them all) and all sort of lead up to the grand finale, which may possibly be the best part of this wonderful book. Everything is written wonderfully, the characters are so rich and interesting, and the plot is never stale. It's an excellent book that I couldn't put down once I started. I recommend this wholeheartedly, and urge you to go buy it or borrow it from the library. It's a wonderful piece of writing that is so easy to love.
