## **REVIEW OF THE ART OF PRACTICING A TO MAKING MUSIC FROM THE HEART**

- It took me forever to read this biography--of a race--but I was determined to do just that. Du Bois was a person of great influence and his choices I will leave for you to decide. The reading, however, was stilted and I had to put the book down for months at a time because of it. (I've had a stroke.) In all, I thought it was good that I persevered.

- What an amazing book! I had to read this for a class and it blew my mind. I can't wait to read more of this author!
