REVIEW OF HINO ENGINE REPAIR MANUAL

- Although this novel was required reading for me, I really enjoyed it. The plot was semi- predictable, however the way that the plot was unveiled was creative and twisted. I enjoyed the realistic character of Jane with her insecurities and imperfect appearance. Rochester also embodies a realistic, darker, yet genuine aspect of human nature. I liked the characterization in the book as well as the diction of old British literature. I would recommend this book to girls, not necessarily boys. Good luck with your choice!
- I loved this book. It had me on the edge of my seat. After a slow start I'm really glad I stuck with it!
