REVIEW OF INTRODUCTION TO BIOMEDICAL ENGINEERING THIRD EDITION

- My bookclub was reading this book so I figured it was a classic

and free so I would go ahead & "purchase" it on my Kindle. From the very beginning I was having trouble with the writing style. I trudged through thinking "this is a classic, everyone loves this story, it must get better". It never did. I only finished it for the bookclub. Otherwise I would've given up after the

ghost of Christmas past. You would have to appreciate this writing style to enjoy this book.

- Dickens is fantastic. This is a great book for getting into the Christmas spirit. The kindle edition was packaged well; I have no complaints. God bless us, everyone!
