### **REVIEW OF SILVERWING 1 KENNETH OPPEL**

- This book looks great on the Kindle Fire and even looks good on my black and white Kindle. It is the same version of the book that I loved as a child. I was, however, disappointed that I could not read it on my computer with Kindle Cloud Reader. Nowhere on the Product Description does it say it will not work with the Kindle Cloud Reader.
- There were no pictures in this book, not even on a Kindle Fire. The book introduction and description talk about Jessie Smith's art work.
