We hope this post has actually influenced you to check out Leer Second Edition Answers, get in touch with fellow readers, and write your very own evaluations. Satisfied analysis!

### REVIEW OF LEER SECOND EDITION ANSWERS

- I'm still trying to figure out how I feel about this book after just reading it. I feel that Butler was able to capture the complexity of familial relationships tainted with puritanical religious beliefs. I think he really does a good job of showing the hypocrisy of certain religious beliefs. I think he challenges one not to blindly accept things without questioning them. The only problem I had with the book is that it is filled with Victorian and religious allusions that I did not understand. Also, there is a fair amount of Latin phrases that I could not translate myself. Those parts of the book will forever remain a mystery to me.

- Conservative & simple heroine gets involved in magazine business she inherited from her now-deceased & estranged father who her sophisticated & ruthless twin sister lived with. She surprises the magazine employees with her more-helpful personality since she doesn't dispel their mistaken notion that she's her troublemaking twin sister. She is especially confusing to publisher Hero who she's carried a torch for since she was young. Although he's had no problems resisting her twin sister's repeated sexual advances, he is unexplicably attracted to heroine and cares for her welfare esp with her trouble with a stalker. My 1st George book & I could NOT put it down! It captured my emotions with its gripping romance & action-suspense. Romance was not undermined by the action-suspense stuff. The book was tightly-woven & fast-paced. Sensuality was hot yet captured the sensitive emotional-sexual issues of Hero & heroine. Good character development. Undoubtedly recommended.
