REVIEW OF MURRAY HOULLIF CONTEMPORAR Y DRUM SET SOLOS

- My7 boyfriend bought this book for

me...I was NOT^ able
to put it down. Really
keeps you in
suspenders...Whoever
thinks that this book is
not as good as
Cornwells previous
better reread this
book. I have given to
another person and
she is just about done
with it. She got it this
morning...Patricia
Cornwell has not let
anyone down with her
Dr. Kay Scarpella
writings...She has
gotten to be a more
thorough writer, more
indepth. She also
shows that Scarpella
has felings outside of
the morgue and her
office which I feel is an
important subject. She
shows that death even
close to you can be
unnerving but she also
shows that you must
continue with everyday
life no matter how
gruesome it can be...

HIGHLY recommend this book!

- Although this book is also concerned with linguistics, the meditation on Jesus' words is done with such evident spiritual care that the lay person looking for devotional reading will be amply rewarded. I read a lot of work on

biblical criticism, and Wierzbicka is terrific on Jesus and women and on the originality of his admonition to turn the other cheek. Wierzbicka canvasses many of the arguments of biblical critics on all points and offers her own, reasoned assessment on the authenticity and meaning of the words.
