## REVIEW OF MACROECONOMICS 6TH CANADIAN EDITION ABEL

- This is a simple book filled with sketches of beings, places and objects on Tatooine, Endor, The Death Star and a small section on Rebel Spacecraft. The cover is in full color but the sketches and text are black and white, holding true to what a sketchbook is. It shows the evolution of the designs and offers a little bit of text. The Contributors are Joe Johnston and Nilo Rodis-Jamero with extra material by Ralph McQuarrie and Norman Reynolds. This is for the collector and may not serve any purpose to the passing fan, especially since it is out of print. I have enjoyed this for years.

- After being in recovery for sexual addiction for four years, something was still not just right. It was then I began to have flashbacks of sexual abuse by my father. With the help of "Victims No Longer : Men Recovering from Incest and Other Sexual Child Abuse" I was able to realize what had happened to me 40 years earlier and to move from the role of a victim to that of a survivor.
