REVIEW OF THE WRITING OF HISTORY MICHEL DE CERTEAU

- Very humorous, although I would have liked a little more between the sheets. Okay plot, but the characters were likable enough for me to recommend it for a "quick" read. Also, let me recommend one I just finished, The Color

of Revenge. Hot, hot, hot!

- Once again, I have to say that reprinting a book like this one, which started out as a regular Harlequin/Silhouette romance novel and now is a pricier mass market paperback is nothing more than crass commercialism. Ms. Crusie's writing normally very much appeals to me. She is witty, compassionate, and excellent at crafting characters I come to love. But this book was just so predictable and . . .and . . .okay. Boring. It was boring. From the female protagonist's ever-changing

hair color to the easily-predicted action sequences (you know--the heroine has to brain the hero at least once; there has to be funny danger that you don't really take seriously; they have to fall in love with each other post-haste)--this one left me cold. It's not that I hated the characters; it's just that they aren't substantial enough to be reprinted and up-charged. For \$3 or so a pop, they're okay. Not great, but at least okay. But for \$7? No way. Please stop reprinting old romances in new mass market form! Give us new characters and new plotlines. Pretty please?
