REVIEW OF FIAT DUCATO 290 SERVICE

- Shallow characters, uninteresting story, and an unoriginal fantasy land fail to sate my sense of wonder. It's like so many previous reviewers said, its all been done before and Chris has just stapled all these mediocre fantasy staples into one humdrum conglomerate of nothingness. Kind of what Stephen King did in the Dark Tower (Adams,Baum) only at least King can write!!!!!!!!!!!!Anyway don't bother with this steaming pile of sentence fragments and embellished adverbs. If you want a GOOD young adults fantasy saga check out Philip Athans "His Dark Materials", contrary to this you WONT be disappointed

- This young man has the spirit of Anne mccaffrey flowing in him. I read a lot of books and a lot of garbage and this young man has incredible potential. I won't comment on the book cause you can tell from the editorial review what it is about. I can explain it no better. This young one is hot. I am waiting for eldest book 2 to come out, cause for a person of 15 years to what write what people twice his age do and not quite this good is sad!! Don't get me wrong I love my anne Mccaffrey I consider her one of the best writers. I just want it known that christopher paolini is hot young and coming up. This book WILL keep you interested. I give Chris mad props.
