FINAL THOUGHTS

Generally, we believe that Practical Chess Endings deserves a read, despite some minor flaws. The one-of-a-kind narration style, relatable characters, and plot spins make it a beneficial addition to your shelf. So, if you're trying to find an exciting read, Practical Chess Endings is absolutely worth considering.

REVIEW OF PRACTICAL CHESS ENDINGS

- This is an incomplete 1902 translation of Prus' classic historical novel, "Pharaoh." (It is missing the author's stunning Epilog, which was restored only later from the original manuscript.)The translator, Jeremiah Curtin, demonstrates an abysmally poor understanding of the original text's Polish language, and an equally poor grasp of English style. His primitive knowledge of the book's subject matter and his inept, wooden, inaccurate translation--it contains some real howlers--help explain the novel's limited appreciation, until recently, among English-language readers.

- On the day the divorce from her womanizing husband, Bradley, is final, Lucy Savage can't stop looking at the dangerous looking man in the diner--so different from her banker ex. Maybe it's time to do something spontaneous instead of logical. Outside the diner, the dangerous looking man proves himself--by trying to mug her! Luckily, Lucy is able to fight him off with her physics textbook, and goes home feeling quite pleased with herself.Zack Warren can hardly believe the woman he tried to protect from gunfire outside the diner actually assaulted him with her purse. He didn't even have time before she ran to tell her he was a cop. Now he has to figure out who was shooting at her and why, and what information she has about Bradley, the embezzler he's trying to catch.When Lucy won't leave her home even though it would be safer for her to stay somewhere else (after all, she can't leave her three dogs), Zack stays with her to protect her, and the incendiary devices fly fast and furious. The fire between Lucy and Zack seems to be even stronger than the fire that Bradley--or someone--is throwing at them.If you've read other books by Jennifer Crusie, you know about her quick humor, witty dialog, memorable characters, yummy love scenes, endearing pets...stories that you'll happily devour in one sitting. All those elements are present in this Romance Writers of America RITA award winner. If you haven't read Jennifer Crusie, don't wait another day: treat yourself to the queen of series romance and one of the most exciting novelists in any genre.Kimberly Borrowdale Under the Covers Book Reviews
